

## **School Bus Information for 2017 – 2018 School Year**

Bus eligibility – Not all students are eligible to ride a school bus. In general, students living within the town of Centerville (exception K-2 transfer buses) and K-2 students living in Rose Hamilton area are in the walk zones. See the Walk Zone maps and definition or call for clarification.

Bus stop expectations – Students are expected to be waiting at the designated bus stop prior to arrival of the bus. Bus drivers are **NOT** required to wait at a bus stop and/or honk the horn. If you choose to have your child wait inside during inclement weather, please watch for the approaching bus so that your child can be ready to board the bus upon arrival.

Cul-de-Sacs – School buses do not travel into Cul-de-Sacs if the turning radius of the bus requires the driver to back up in order to make the turn. This is for safety of the school children and protection of privately owned vehicles and property.

Returning students with no address change: all routes are the same this year, so, the pick-up time should be approximately the same as last year. See below for any bus number changes or driver changes.

New students or address changes: Feel free to call Mark Campbell at the Administration Building at 855-3475 and he can also assist with bus information.
